It is true, says The Lake Butler Star, that some of our planters are discouraged at the Irish potato prospect, and a great many will not plant next year. But others will take a more hopeful view of the situation, know that the fault has not been in the planter not reaching an early market and will give them another trial next year.

The Banner of Liberty, Jasper, says: "W. M. Pennington has our thanks for two large turnips weighing five and three-quarter pounds each. They are fine flavored and we made 'pot liquor' enough to run us for a week. A few more such turnips will bridge us over until hog killing time and then we'll be able to hold on the remainder of the year."

The Gainesville Daily Sun of April 8th, 1905, arrived here in the mails on last Sunday, 21st instant, having taken forty-two days to make the trip from Gainesville to Punta Gorda. This is the worst yet.—Punta Gorda Herald. [We are sorry, but there is such a popular demand for The Sun that it is read by even the railway mail clerks, which often makes it late in reaching its destination].

"In unity is strength." The people of Lake City can never hope for progress until all petty bickerings cease and we pull together as one man for the general good. The Index has consistently preached the doctrine of good

TWO KILLED; SIX INJURED.

Fatal Collision Occurs Near Augusta, Ga.—Trolley Car Hits Coal Car.

Augusta, Ga., May 27.—Two were killed, one fatally injured, two probably fatally, and three slightly injured in a collision between a passenger trolley and a Louisville and Nashville coal car on the Augusta-Aiken railway in a stretch of woods some miles from Augusta on the south side of the river. Felix Boddie, employee of the railway, who was riding with the motor-man, was instantly killed.

A. D. Hill, conductor, skull fractured, he will die.

C. W. Cheatham, McCormack, S. C., head and chest mashed, will die.

A. W. Roberts, head cut, arm and leg broken, may die.

S. W. Long, Troy, S. C., head injured, badly bruised.

Claude Atkinson, injuries not serious.

A. E. Kearns, Knoxville, Tenn., head and leg bruised, not serious.

The accident occurred at the foot of a steep grade several miles from Augusta near Clearwater, S. C. The coal car, which was being conveyed to the power house, broke away from the motor car at the top of a hill and swept downward for several hundred yards, acquiring such momentum that when it collided with the passenger car returning to Augusta, it ground the lighter car almost into kindling wood.

Warning.

You cannot have good health unless your kidneys are sound, for the kidneys filter the blood of impurities which otherwise act as irritating poisons and break down the delicate organs of the body and cause serious trouble. If you have kidney or bladder trouble and do not use Foley's Kidney Cure, you will have only yourself to blame for results, as it positively cures all forms of kidney and bladder diseases. Sold by J. W. McCollum & Co.

Mad Cat Kills Baby.

Evansville, Ind., May 27.—While the infant child of Preston McLimaine was sleeping in its crib a large house cat leaped upon its breast and badly lacerated its face. Several large holes were torn in the cheeks of the child, and it lived but a short time. It is supposed that the cat had hydrophobia.

Cleared for Action.

When the body is cleared for action, by Dr. King's New Life Pills, you can tell it by the bloom of health on the cheeks; the brightness of the eyes; the firmness of the flesh and muscles; the buoyancy of the mind. Try them. At all drug stores, 25c.
